Easing the Economic and Clinical Burden of Psoriasis and Psoriatic Arthritis: The Role of Managed Care

This supplement to *The American Journal of Managed Care* is intended to examine the economic burden of psoriasis and psoriatic arthritis; it will also compare the different treatment strategies for both diseases, including emerging treatments. The role of the managed care professional in supporting the treatment strategies in psoriasis and psoriatic arthritis therapy will also be discussed.

■ Faculty

Alan Menter, MD
