DISCLOSURE POLICY

According to the disclosure policy of *The American Journal of Managed Care*® and *Pharmacy Times Continuing Education*™, all persons who are in a position to control content are required to disclose any relevant financial relationships with commercial interests. If a conflict is identified, it is the responsibility of *Pharmacy Times*

Continuing Education™ to initiate a mechanism to resolve the conflict(s). The existence of these relationships is not viewed as implying bias or decreasing the value of the activity. All educational materials are reviewed for fair balance, scientific objectivity of studies reported, and levels of evidence.

DISCLOSURE OF UNAPPROVED/OFF-LABEL USE

The contents of this activity may include information regarding the use of products that may be inconsistent with or outside the approved labeling for these products in the United States. Participants should note that the use of these products outside current approved labeling is considered experimental and are advised to consult prescribing information for these products.

The information provided in this CE activity is for continuing medical and pharmacy education purposes only and is not meant to substitute for the

independent medical or pharmacy judgment of a physician or pharmacist relative to diagnostic, treatment, or management options for a specific patient's medical condition.

The opinions expressed in the content are solely those of the individual faculty members and do not reflect those of *The American Journal of Managed Care*®, *Pharmacy Times Continuing Education*™, or any of the companies that provided commercial support for this CE activity.

Signed disclosures are on file at the office of *The American Journal of Managed Care*®, Cranbury, New Jersey.
