By signing below, all authors acknowledge that they have read the Criteria for Authorship and the Copyright Transfer statements. In addition, your signature affirms that this work has not been previously published, is not subject to copyright or other rights except your own to be transferred to Managed Care & Healthcare Communications, LLC, and has not otherwise been submitted for publication, except under circumstances communicated to the Editors in writing at the time the work was first submitted. This form is available online at [www.ajpblive.com](http://www.ajpblive.com) and can be downloaded and distributed to authors electronically. Every author must complete this form and return it to the Editorial Office by fax to (609) 716-4747.

### Criteria for Authorship

Each author should meet the criteria for authorship as described in the "Uniform Requirements for Manuscripts Submitted to Biomedical Journals."<sup>1</sup> These criteria are outlined below and each author must indicate their specific contributions to the preparation of this manuscript by completing sections A, B, C, and D.

- A. I certify that:
- the manuscript submitted under my name represents valid, original work and has not been submitted elsewhere and will not be submitted for publication elsewhere while under consideration by *The American Journal of Pharmacy Benefits* and
  - if requested, I will provide the data or will cooperate fully in obtaining and providing the data on which the manuscript is based for examination by the editors; and
  - for papers with more than 1 author, I agree to allow the corresponding author to serve as the primary correspondent with the editorial office, to review the galley proofs, and to make decisions regarding release of information in the manuscript to the media, federal agencies, or both; or if I am the only author, I will be the corresponding author and agree to serve in the roles described above.
- B. I have given final approval of the submitted manuscript.
- C. I have participated sufficiently in the work to take public responsibility for it.

D. I have made substantial contributions to the intellectual content of the paper as described below (check at least 3 below):

- Concept and design
- Acquisition of data
- Analysis and interpretation of data
- Drafting of the manuscript
- Critical revision of the manuscript for important intellectual content
- Statistical analysis
- Provision of study materials or patients
- Obtaining funding
- Administrative, technical, or logistic support
- Supervision
- Other (specify): \_\_\_\_\_

### Copyright Transfer

*The American Journal of Pharmacy Benefits (AJPB)* is owned, published, and copyrighted by Managed Care & Healthcare Communications, LLC. In the event that AJPB publishes my work and in consideration of the editing and publication of my work and the professional benefits relating hereto, I transfer to Managed Care & Healthcare Communications, LLC, copyright ownership and all worldwide right, title, and interest to all parts of the work including, but not limited to: 1) copyright (text and graphics); 2) the right to grant permission to republish the work in whole or in part, with or without fee; 3) the right to produce preprints or reprints for sale or free distribution; 4) world translation rights; and 5) the right to republish the work in a collection of articles or in any format including, but not limited to, electronic media.

Authors of manuscripts reporting research funded by NIH are granted permission to provide a copy of their accepted manuscript to the NIH for inclusion in PubMed Central. Authors should submit to PubMedCentral the version of the article that was formally accepted by AJPB. Submission of the final published version (ie, PDF or the HTML version downloaded from [www.ajpblive.com](http://www.ajpblive.com)) is prohibited, as it would violate the copyright agreement.
